### **Connection**

When is one time in your life that you slowed down to see and enjoy a blessing you may have missed?

### **Content -**

**"He (God) is invisible, yet we see him move."**

What does this statement say to you?

### **The Profile Of A Blessing**

1. Blessings are like compasses, they delicately point us towards something that is real, and invisible. One of the most famous blessings comes in Number 6:24-26. What does this passage tell you about what a blessing from God is?

### **The Promise Of A Blessing**

2. In Matthew 5:3-10, God tells us that he blesses everyone and the Kingdom of Heaven is for everyone. What else does this passage tell you about who God blesses?

### **The Pattern Of A Blessing**

3. In Mark 10:13-16, Jesus blesses the children as they come to him saying, "the Kingdom of God belongs to those who are like these children." How can we remember to be like the children that Jesus refers to in this passage?

4. As Jesus ascends up to Heaven, his last earthly action is to bless individuals around him (Luke 24:50-51). What does this say to the character of Jesus and the importance of blessing others?

5. The automatic response to Jesus' blessing is seen in Luke 24:52-53 as they returned to Jerusalem filled with joy and began praising God. How can we take the invisible blessings given by God and remember to show joy and praise God as our own response?

### **A Blessing is...**

Jesus is giving us a blessing of...

**Presence**  
**Promise**  
**Power**  
**Prospect**  
**Peace**

We have been given Christ's blessing, so remember these words as his power never fails, and he is always with us so we can share that peace with everyone.

### **Commitment**

If you know the truth of Jesus, you can pronounce his blessing on others.  
Who in your life can you share Jesus blessing with, and can help bless this week?
