Connection

What is something special about the month of April that you enjoy or are thankful for?

Content

The Holy Spirit is essential to your life. The Spirit will grow you closer to God and change your daily life. He breathes spiritual vitality into our hearts, guiding, empowering, and sustaining us in our journey with God. Without the Spirit, faith becomes mere formality, but with Him, we experience true transformation, discernment, and the living presence of Christ within us.

1. Have you felt distant from God recently in your life? What is the feeling like, and what tends to cause it?

2. Read Isaiah 32:14-20. What does this passage say of “living in the spirit” and what does it look like?

Who is the Holy Spirit?

3. Read Genesis 1:2. The Holy Spirit has always existed. He was hovering over the dark places then and still is now. Why is this important to understand when describing the Spirit?

4. Read John 16:7 and John 14:12. Jesus had to leave for the Spirit to come on all of us. Why is this important? And what is our role now with the Spirit in us?

How Is the Holy Spirit Present?

5. Read John 16:13-14 and John 14:16. What roles of the Spirit are described here?

6. Read Job 34:14-15, John 6:63, and Romans 8:11. The Holy Spirit is sustaining life and lives in all believers. What else do these verses tell you about the Spirit?

7. How does Jesus' statement in John 6:63 — "The Spirit gives life; the flesh counts for nothing" shape our understanding of where true spiritual life and power come from?

What implications does this have for how we live and pursue faith today?

Commitment

8. Read Luke 24:49-51. The Holy Spirit is a force and is a person. From what you know so far about the Holy Spirit, write a list of what He does for you that you're thankful for:

Make time this week and pray over this list, asking for the Holy Spirit to move in you.
